GRESHAM-BARLOW SCHOOL DISTRICT
CABLING AND INFRASTRUCTURE IMPLEMENTATION
RFP 1718-004

Addendum #2

Please note that the time and date for response has not changed: to help ensure that the team can comply with E-Rate requirements, proposal responses are still due at 2:00pm PDT on March 21, 2018.

This addendum corrects a problem with the East Gresham drawings: there was a duplicate of Sector A drawing #T2.1B. Please use the attached **#T2.1A** drawing (next page of this addendum) to replace the second/duplicate #T2.1B.
