

GRESHAM-BARLOW SCHOOL DISTRICT

Gresham, Oregon

REQUEST FOR PROPOSAL

Cabling and Infrastructure Implementation

RFP 1718-004

March 28, 2018

Award Notification Letter

GRESHAM-BARLOW SCHOOL DISTRICT
CABLING AND INFRASTRUCTURE IMPLEMENTATION
RFP 1718-004

Award Notification

Gresham-Barlow School District has completed evaluations of all proposals received for the **CABLING AND INFRASTRUCTURE IMPLEMENTATION** project (RFP 1718-004).

The District will move forward with an award for work in the **Data Communications** and **Distributed Antenna Systems** sections of work for both schools. The District will *not* be awarding work for the **Access and Intrusion Cabling** or the **Classroom Audio/Video Systems** at this time but may elect to revisit these sections of work at a later date.

Award Results

East Gresham Elementary School	
Data Communications:	Stoner Electric, Inc
Distributed Antenna Systems:	Azimuth Communications
North Gresham Elementary School	
Data Communications:	GB Manchester
Distributed Antenna Systems:	Azimuth Communications

If you would like to receive specific scoring results and/or other decision-related information, please contact Diane Forbes (diane.forbes@NIS.consulting) to schedule an evaluation debrief appointment.

Pursuant to ORS 279B.135, proposers may protest the tentative award up to seven (7) days after the date of notification. Protests must be in writing and received no later than 2:00 p.m. PDT on April 4, 2018 at this address:

Gresham-Barlow School District No. 10Jt
